DUAL CREDIT CHECKLIST

Students wishing to earn dual credit from NMSU Grants must complete these steps:

- Application for Undergraduate Admission Form: Students are to complete the Dual Enrollment Application labeled "DUAL ENROLLMENT/WAIVE FEE". This step admits you as a student into NMSU Grants. (Once admitted to the college you do not have to repeat this step.)
- Dual Credit Request Form: Students must complete the New Mexico State Dual Credit Request Form. (Must be completed for every semester.) This form is used to enroll the student into a specific course(s) and requires the following information:
  a. Complete Student Information – INCLUDING STAR ID & SSN.
  b. Schedule # or specific Course Reference Number (CRN)
  c. Signature of Parent/Legal Guardian
  d. Signature of Secondary Representative (Principal and/or Counselor)
  e. Signature of College Representative (VP Academic Affairs)
- Official High School Transcript: An official high school transcript from the last semester attended is required before you may be registered for the current semester.
- COMPASS Skills Assessment: This is required for certain courses which require documentation of prerequisite skills (e.g. English and Mathematics).
- Meet with the Dual Credit Coordinator: This is essential to start learning about academic regulations, career choices, and other important issues. Register EARLY to get your choice of course(s). Attending New Student Orientation is also highly recommended.
- Bookstore: Go to Barnes and Noble Bookstore to obtain your books. All books must be picked up within two weeks of the start of classes. Books may not be available after the specified time period as they are returned to the publishers.
- Complete the Course: You must successfully complete all requirements (earn a passing grade) for the college course you enrolled in to earn college credit and high school elective credit.
- Return the books and unused course supplies to your high school.
- Rinse. Repeat.

Welcome to NMSU Grants! We are very pleased to welcome new and returning students to the Dual Credit Program. It is important that you understand the responsibility accepted when enrolling in college level coursework. You, your parents, and your high school have agreed that you have the academic ability and maturity to take a college course at NMSU Grants.

Please take a few moments to review the following statements. Initial each statement indicating that you have read and understood it. If you have any questions please talk with James C. Olguin (505/287-6620 or email jamesol@nmsu.edu). Note: Paperwork will not be processed if any signatures are missing.

I understand:

__________ I am enrolled in a college course and will be treated as a college student. I am responsible for class attendance and assignments.

__________ I need to stay in contact with my instructor during the course. Contact information, including office hours, are available in the syllabus. Many instructors count off for non-attendance. (Instructors do not have to accommodate outside schedules.)

__________ I will do my best to complete required work, turn it in on time, and be successful in class. I will pay attention to the instructor’s grading policy as listed in the syllabus. Course assignments and deadlines are available in the syllabus.

__________ I am taking this course for dual credit. My grade will be reflected on my high school transcripts and could affect graduation, grade point average, and class placement. The grade will be reflected on my college transcripts and may affect financial aid for college after graduation. (Lottery scholarship requires a 2.50 cumulative GPA after the first college semester.)

__________ If I am having difficulty in my class, I will contact my instructor and James. James will work to find the best solution.
There are deadline dates for dropping or withdrawing from a course. These dates are in the *Schedule of Classes*. If I quit attending the class, I will receive an F grade. To use one of these options and/or avoid a failing grade I must speak with James before the deadline.

The final exam schedule is in the *Schedule of Classes*. Finals may not be at the same time or location as my class. It is my responsibility to make arrangements to be at the time and place specified for my final exam.

I have read and understood the above statements. All my questions have been answered.
