Campus Programs & Policies

Academic Advising

The Student Services Office is located in Martinez Hall, Room 5. Make an appointment or walk-in during office hours, to see an adviser prior to registration to review your degree plan. On-line advising sessions are available at grants.nmsu.edu.

STAR Degree Audit

The Student Academic Requirements (STAR) degree audit program is a web-based service that allows NMSU students to run online degree checks on academic programs. For more information, go to http://nmsu.edu/~registra/STAR_audit.html

Students with Disabilities

In compliance with the Americans with Disabilities Act (ADA), students with disabilities who need special services in the classroom or have difficulty gaining access to any university building, should contact Beth Armstead, Vice President for Student Services at 287-NMSU (6678). Students must self-disclose their need for accommodations.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT

NMSU is required to provide to you information in accordance with Federal Regulation 34 CFR Part 86 of the Department of Education and the Student Right-to-Know and Campus Security Act. You can access the information by going to www.nmsupolice.com, and then selecting the "Annual Reports" link on the left menu

Student Code of Conduct

The Vice President for Student Affairs (NMSU Las Cruces) establishes and enforces standards of conduct for all NMSU students. The Vice President for Student Services, Beth Armstead, enforces conduct for the Grants campus. Obtain your copy of the Student Code of Conduct in Student Services or online at grants.nmsu.edu.

Course Transfer

The institution to which you transfer determines transferability of courses taken at NMSU Grants. Usually, general education courses (marked "G") are accepted by other institutions when these courses apply to a degree program at the school. Technical, vocational, or special courses (OE/BOT) may be applied to Baccalaureate degrees only upon petition to and approval from the institution to which you transfer. For information, contact an adviser or review a copy of the latest NMSU Grants catalog and consult the institution you may plan to transfer credits to.

Children on Campus

Children should not be left unattended or be permitted to disrupt classes. Small Wonders Child Care Center, on the NMSU Grants campus, offers childcare to students, faculty, and staff for children, ages 6 weeks to 12 years, for an established fee. Contact Small Wonders Child Care Center, 287-3868. Apply early as there is often a waiting list. The Center does not offer "drop in" care.

ADMISSIONS

All new, readmitted, and transfer students must apply for admissions prior to registration. Students will be admitted as either degree seeking or non-degree seeking. All applicants must be either high school graduates or must have successfully passed the GED exam. Transfer students must verify that they are eligible to return to any previously attended colleges. Admission applications are available from the NMSU Grants Student Services Office or by applying online.

To apply for admissions or readmission:

- 1- Complete an application for admissions. If you are applying for financial aid or veterans benefits, you must apply as a degree seeking student.
- 2- Submit the completed application to NMSU Grants, 1500 N. Third Street, Grants, NM 87020. If you have never taken classes at NMSU before, you must include with your application a one-time, non refundable \$20 admission fee.
- 3- Request that your GED scores or transcripts from former high schools and/or colleges be sent directly to NMSU Grants.
- 4- An Admission Status Letter will be provided to you upon request.

Note: Student in non-degree admission status is not eligible for Financial Aid or Veterans Benefits.

Changing Admissions or Enrollment Status

The deadline for changing admission status from non-degree to degree seeking is census date. After this date, students will remain in the non-degree seeking status for the term. The deadline for changing enrollment status from credit to audit or graded to S/U is census date.

Social Security Numbers/NMSU Aggie ID in Student Records

Social security numbers are collected for prospective and current students for administrative coordination and record identification purposes only. Although procedures have been established by the Registrar for assignment or an alternative number upon request, students who wish to be employed on campus or to receive financial aid are required by law to provide their social security number for administrative use. Further, the university is mandated by federal tax regulations to provide tuition and fee payment information to the student and the Internal Revenue Service, so that applicable educational tax credits may be computed. The social security number will be necessary to submit this tax reporting. In the event that the university does not have the social security number for a student, a reasonable effort will be made to obtain this information. The social security number is a confidential record and is maintained as such by the university in accordance with the Family Educational Rights and Privacy Act. A NMSU Aggie ID number is assigned to each admitted and enrolled student and will be used as the primary identifier when enrolling for classes through Student Services, for obtaining printed class schedules, and for all Business Office transactions. The Aggie ID number can be found after logging into your MyNMSU account.

FINANCIAL AID/SCHOLARSHIPS

Title IV Code is 008854

You must register for classes prior to the date posted in the Financial Aid Office to be eligible for aid. Students will be billed for 100% of aid they received for classes they never attended.

Financial Aid and/or Scholarship Awards will be automatically applied to your NMSU account through the University Accounts Receivable Office. Any funds remaining after paying University expenses will be available to you through direct deposit or check. You may sign up for direct deposit through my.nmsu.edu. If you do not choose direct deposit, you may pick up your check at the NMSU Grants Business Office.

Financial Aid cannot be disbursed until your Financial Aid file is complete. You can review the status of your financial aid through your my.nmsu.edu and/or by contacting the NMSU Grants Financial Aid Office. To avoid delays, you should complete your financial aid files accurately and early. If you have not been awarded financial aid, you must make payment arrangements at the NMSU-Grants Business Office. Grant and Loan financial aid for the first and second 8-week sessions will be paid at the beginning of the 16-week semester. The cut-off date to add classes for financial aid purposes will be posted at the NMSU Grants Financial Aid counter. Financial Aid may not pay for the courses added after the cut-off date.

You will NOT be automatically withdrawn from the University if you do not attend classes.

You must officially withdraw at the NMSU Grants Admissions and Records Office.

To receive financial aid, you must be degree-seeking with the NMSU Grants Admissions and Records Office. Financial Aid will not pay for audit courses or repeated courses in which a grade of "C" or better has been earned.

You must notify the NMSU Grants Financial Aid Office of any and all additional resources: scholarships, tuition waivers, stipends, WIA, DVR, state or federal awards, and others. All financial aid offers are subject to revision due to changes in policy, law, regulations, or errors in funding. You are responsible to repay excess funds disbursed due to any of these reasons.

You must be enrolled in at least 6 credit hours to receive a loan award. First-time borrowers must complete an online Debt Management Entrance Counseling and Master Promissory Note at: <https://studentloans.gov> prior to loan disbursement.

Satisfactory academic progress will be monitored to determine eligibility for Financial Aid. Satisfactory progress includes:

- Maintaining a cumulative grade point average of 2.0 for undergraduates,
- Satisfactory completion of at least 66.67% of credits hours attempted, and
- A maximum time frame to complete a degree (usually 99 attempted hours for an associate degree)

VA Benefits - If you plan to use VA benefits, you must have your class(es) approved by an advisor prior to registration. All new students should pick up application packets in the Veteran's Office in Student Services. Chapter 31 & 33 participants are not responsible for paying tuition. All other VA Chapter participants are responsible for paying their tuition per the Payment Plan Schedule.
