NASNTI Grant

The U.S. Department of Education awarded a five-year Native American Serving Non-Tribal Institutions Grant (NASNTI) to New Mexico State University Grants Campus in October 2011 to expand access to educational opportunities for Cibola County, New Mexico residents. As part of the grant initiative, two priorities serve as focal points which include: 1) outreach to Native American, low-income, and at-risk clients in Cibola County with a myriad of entry points to access higher education, and 2) to enable more data-based decision making to improve services and strategic planning of institutional practices and services. Acoma Pueblo and Tohajiilee Navajo community outreach sites have been established to provide the following services: 1) Adult Education (GED) program, 2) Dual enrollment with high school students in the Cibola County Service area, and 3) college success and retention strategies including online and course offerings at each outreach center. Professional tutors in basic core requirements are available at the Student Success Center and we also have a Native American Student Program to provide extracurricular activities, support, and educational opportunities for all students. For more information, please contact Dr. Shawn Secatero, NASNTI Director at (505) 287-6699

Social Security Numbers/NMSU Aggie ID in Student Records

Social security numbers are collected for prospective and current students for administrative coordination and record identification purposes only. Although procedures have been established by the Registrar for assignment or an alternative number upon request, students who wish to be employed on campus or to receive financial aid are required by law to provide their social security number for administrative use. Further, the university is mandated by federal tax regulations to provide tuition and fee payment information to the student and the Internal Revenue Service, so that applicable educational tax credits may be computed. The social security number will be necessary to submit this tax reporting. In the event that the university does not have the social security number for a student, a reasonable effort will be made to obtain this information. The social security number is a confidential record and is maintained as such by the university in accordance with the Family Educational Rights and Privacy Act. A NMSU Aggie ID number is assigned to each admitted and enrolled student and will be used as the primary identifier when enrolling for classes through Student Services, for obtaining printed class schedules, and for all Business Office transactions. The Aggie ID number can be found after logging into your MyNMSU account.

FINANCIAL AID/SCHOLARSHIPS

Title IV Code is 008854

You must register for classes prior to the date posted in the Financial Aid Office to be eligible for aid. Students will be billed for 100% of aid they received for classes they never attended.

Financial Aid and/or Scholarship Awards will be automatically applied to your NMSU account through the University Accounts Receivable Office. Any funds remaining after paying University expenses will be available to you through direct deposit or check. You may sign up for direct deposit through my.nmsu.edu. If you do not choose direct deposit, you may pick up your check at the NMSU Grants Business Office.

Financial Aid cannot be disbursed until your Financial Aid file is complete. You can review the status of your financial aid through your my.nmsu.edu and/or by contacting the NMSU Grants Financial Aid Office. Financial Aid may not pay for the courses added after the cut-off date. **You will NOT be automatically withdrawn from the University if you do not attend classes. You must officially withdraw at the NMSU Grants Admissions and Records Office.**

To receive financial aid, you must be degree-seeking with the NMSU Grants Admissions and Records Office.

You must notify the NMSU Grants Financial Aid Office of any and all additional resources: scholarships, tuition waivers, stipends, WIA, DVR, state or federal awards, and others. All financial aid offers are subject to revision due to changes in policy, law, regulations, or errors in funding. You are responsible to repay excess funds disbursed due to any of these reasons.

You must be enrolled in at least 6 credit hours to receive a loan award. First-time borrowers must complete an online Loan Entrance Counseling and Master Promissory Note at: <https://studentloans.gov> prior to loan disbursement.

Satisfactory academic progress will be monitored to determine eligibility for Financial Aid. Satisfactory progress includes:

- Maintaining a cumulative grade point average of 2.0 for undergraduates,
