

Blackboard Resources

Are you a new student to Blackboard?

Do you know how to navigate through your Blackboard class efficiently?

Many new students take online courses within their first and second semesters of college and they do not know how to navigate through their classes. This document will help NMSU students with Blackboard questions.

There are Blackboard resources that students can review on how to complete certain aspects of Blackboard such as getting started, discussions, emails, quizzes, and submitting assignments. Please make sure that you have Flash Player installed first to view the videos.

Blackboard Resources: <http://ict.nmsu.edu/~training/new/student.html>

Students that do not like learning information on their own can visit our Student Success Center for more help from a tutor at:

Student Success Center

Rm: 125

Phone: (505) 287-6691

Website: <http://grants.nmsu.edu/ssc.html>

Students can also contact Nicole Olsson for help at (505) 287-6647 or nolsson@nmsu.edu. Please allow 24 hours for a response if you leave a message or an email.
