A withdrawal form must be completed with Student Services to withdraw from a course or from the University. Spring Community Education - Non-Credit Courses

The Community Education Option allows individuals to participate in a credit course similar to a typical noncredit community education course. Individuals do not have to apply for official admission and enrollment to NMSU Grants. No official college transcript is produced nor grade awarded. Individuals enrolled under the Community Education Option are required to follow university policy and are bound by the NMSU Grants Student Code of Conduct as are all other individuals authorized to use university services and facilities.
