Gainful Employment Disclosure – 2019

Program Name: Computer Technology-Grants Campus

This program is designed to be completed in 2 years.
Completion time is based on taking 12 credits per semester, fall and spring semesters only.

This program will cost in-district residents $4,716 if completed within normal time. It will cost out-of-state residents $7,266.
This is an online program. These costs include tuition, required fees, any additional required course fees, any book and supply costs, and $25 per credit hour online course delivery fee. There may be additional costs for living expenses. These costs used the Fall 2019 posted tuition and fee rates (see http://uar.nmsu.edu/tuition-rates/*) and were accurate at the time of posting, but may have changed.*

Median Debt of 2017-18 Normal Time Completers: Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

New Mexico does not have licensure requirements for this profession.
Only the states in New Mexico State University-Grants Campus' metropolitan statistical area (MSA) are listed.

For more information about graduation rates, loan repayment rates, and post-enrollment earnings about this institution and other postsecondary institutions please click here:
